

ATB ASSOCIATE TO BACHELOR'S NURSING DEGREE OPTION

A COOPERATIVE VENTURE BETWEEN
Community College of Baltimore County and Towson University

General Information for this Face to Face Option*

(*one winter session TU course is online, some TU courses may be combination face to face/online)

I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the CCBC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CCBC and TU and begin to take TU courses during the Nursing Program at CCBC. Once the Associate of Science (A.S.) Degree is awarded at CCBC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at TU to complete the Bachelor of Science (B.S.) Degree.

Program length is 9 terms, including winter and summer sessions, and it takes approximately 2 ½ years to complete.

CCBC courses will be held at the CCBC Essex or Catonsville campuses (campus where student was accepted to Nursing). TU courses will be taken at the Towson campus.

Two degrees will be awarded: A.S. from CCBC and B.S. from TU (where a minimum of **30 credits** will be required from TU to graduate).

Advisors will be available from both CCBC and TU.

Financial aid will be arranged through the Towson University Office of Financial Aid.

II. Program Admission Requirements

- A. Admission to the CCBC Nursing Program (selective process based on courses completed, GPA, and TEAS score)
