

# ATB ASSOCIATE TO BACHELOR'S NURSING DEGREE OPTION

A COOPERATIVE VENTURE BETWEEN  
Community College of Baltimore County and Stevenson University

## General Information for this Blended Option\*

(\*begins with face to face SU course, progressing to blended, then to fully online)

### I. General Program Information

This dual enrollment option is available to eligible students once they are accepted to the CCBC Nursing Program. Admission is competitive and based on completed courses and grade point average (GPA). Students will be enrolled as degree students at CCBC and Stevenson University (SU) and begin to take SU courses during the Nursing Program at CCBC. Once the Associate of Science (A. S.) Degree is awarded at CCBC, students must take and pass the nursing licensure exam, the NCLEX-RN, and then continue coursework at SU to complete the Bachelor of Science (B. S.) Degree.

Program length is 10 terms, including winter and summer sessions, and it takes approximately 3 years to complete.

CCBC courses will be held at the CCBC Essex or Catonsville campuses; SU courses will be taken on the SU campus. SU nursing courses are offered initially in a face to face format and then progress to blended to completely online.

Two degrees will be awarded: A.S. from CCBC and B.S. from Stevenson University (where a minimum of 30 credits will be required from SU to graduate with the B.S.).

Advisors will be available from both CCBC and SU.

Financial aid will be arranged through Stevenson University Office of Financial Aid.

### II. Program Admission Requirements

- A. Admission to CCBC Nursing Program (selective process based on courses completed, GPA, and TEAS score)
- B. GPA of 3.0 or higher in CCBC required admission courses
- C. Additional required courses (completed by the start of the first nursing course) with a C or better:
  - Chemistry (CHEM 107/108) 3-4 credits
  - Statistics (MATH 153) 3-4 credits
  - Nutrition (BIOL 256) 3 credits
  - Sociology (SOCL 101) 3 credits
  - College Comp II (ENGL 102) 3 credits

### III. ATB Program Progression

Students must remain in CCBC's nursing program to continue in the ATB option.

Students are expected to complete the sequence of study as outlined in the SU ATB curriculum plan.

Students must successfully pass the NCLEX-RN to complete the remaining Stevenson University courses.

#### IV. General Application Procedures

**Note:** Students applying to the SU ATB Option must first be accepted to the CCBC A.S. Degree Nursing Program. Admission to the SU ATB Option is contingent upon admission to CCBC's Nursing Program.

**All applications, fees and transcripts must be received by SU by the deadline of January 31 for a fall start OR by August 31 for a spring start.**

1. Apply online at <http://www.stevenson.edu/graduate-professional-studies/admissions-aid/how-apply/>
2. **There is no application fee for students applying to the SU ATB option.**
3. Have official, sealed transcripts for all colleges/universities that you attended sent to:  
 ATTN: Ruth Berenson  
 Stevenson University
