

Common Course Outline
INTD 192
Special Topics in Interior Design
2 Credits

The Community College of Baltimore County

Description

INTD 192 – Special Topics in Interior Design explores topics and concepts of advanced study and technique in the interior design industry beyond the current course offerings. Students should consult with an advisor or program coordinator to determine transferability and/or applicability to curriculum requirements. Typically, a two-credit unit is granted for courses that meet the equivalent of two 50-minute periods per week over a 15-week semester. Classes generally meet one, two or three times a week.

2 Credits

Prerequisites: To be determined for each course by the program coordinator or by consent of the program coordinator.

Overall Course Objectives

Upon completion of this course students will be able to:

1. identify and discuss skills and knowledge in the topic-specific coursework; and
2. demonstrate skills and knowledge for the topic-specific coursework.

Additional topic-specific course objectives will be determined by the instructor with approval from the program coordinator.

Major Topics

Course specific topics to meet the course objectives will be determined by the instructor with approval from the program coordinator.

Course Requirements

Grading/exams: Grading procedures will be determined by the individual faculty member.

Students are required to use appropriate academic resources.

Other Course Information

This course is an elective course for the Interior Design degree and certificate.

May not be offered in all semesters; see registration schedule for listings and specific topics.
